Week 1	November 1-7 – PRAISE & THANKSGIVING <i>"I will praise God's name in song and glorify him with thanksgiving." Psalm 69:30 NIV</i>
Fri 1	Praise GOD for a young boy's faithful witness. At only 8-yr's old, young Micah is courageously sharing Bible stories with kids in a Ugandan village. Micah's father shared: "It's amazing to see God doing His work in and through the kids. When Micah struggled, he encountered God and was obedient." Because of this little boy's obedience, a young Ugandan boy also wanted to put his faith in God. Intercede for these precious ones!
Sat 2	Praise GOD for the funds raised to provide computers in a Christian school in North Africa. The school leadership also received Biblical equipping as well as training to improve teaching practices and the students' learning. Pray for the leadership to implement what they are learning and to grow deeper in their faith.
Sun 3	Praise GOD for the more than 20,000 small groups across the Middle East and North Africa using Discipleship Essentials! Pray for the Together Network as they equip Muslim-background believers and church leaders using Discipleship Essentials to grow deeper in their faith and start a discipleship movement among MBBs.
Mon 4	Praise GOD for His sustenance and provision. Field workers in Asia are thankful for having successfully completed the language exam and for the progress they have made. Pray for the field workers serving together in this region. May they bond and serve well together and may God give them good health. Pray as well for their witness and pray that they can build and maintain relationships with their neighbours.
Tue 5	Praise GOD for the two new families who joined a team of field workers in Chad. The English program has started in October and the new short-termers and Chadian co-worker will be teaching for the first time. Pray they both will have a good start and build good relationships with their students. Intercede for the team!
Wed-Thu 6-7	Praise GOD for the ministry of SAT-7 among parents. One mother who engages with SAT-7 via the SAT-7 PARENTS Facebook page wrote, "I truly benefit a lot just by reading the comments. May God bless your work and efforts. I sincerely thank you for the great psychological support I find with you." Pray that parents in the MENA can find encouragement and community online through SAT-7's social media pages.
Week 2	November 8-14 – PRAY FOR MUSLIM PEOPLE <i>"Very truly I tell you," Jesus answered, "before Abraham was born, I am!" John 8:58 NIV</i>
Fri 8	F. was raised in a Muslim family and lived her life unable to trust anyone around her. Today, F. is following Jesus who alone is worthy of her trust. Pray James 5:16 over F. and the Muslim people who are taught that it is dangerous to trust. Because of this, they live in isolation, always hiding their questions, struggles and burdens.
Sat 9	A Muslim man in the Middle East saw Jesus in a vision. He was awed by his beauty. A field worker asked him if Jesus said anything to him but he just responded, "No, just that He was Isa (Jesus) the Messiah." Pray that this Muslim man would want to study the Bible and experience the risen Lord personally. Pray for his protection.
Sun 10	A schoolteacher in Haiti lost her home in the 2010 earthquake and her husband died shortly after the quake. She said that her newfound faith in Islam helped pull her through the grief. There is a growing Muslim population of Arab descent in this predominantly Christian country. However, two per cent among them are evangelical Christians. Pray that they would reach out to Arabic-speaking Haitians and build bridges for Christ.
Mon 11	There are now 33 groups in Bangladesh that are using Discovery Bible Study materials. In one group, four people have been baptised. Pray for S. who is facing hostility after he shared some Bible stories he'd heard in his DBS group. Despite warnings from the locals not to read the Bible, S. perseveres. Pray that many will listen.
Tue 12	K. lives in a small island in Pulau Kangean in Indonesia. As a dutiful Muslim, K. prays, fasts and gives to the poor. She also offers daily gifts to island spirits as she is fearful that evil spirits will harm her and her family. Pray for revelations among them that Christ has overcome evil spirits and offers eternal salvation.
Wed-Thu 13-14	Sudanese have little opportunity to hear the gospel, however, MERF's wide-reaching Arabic gospel programmes air daily on strong regional medium- and short-wave radio stations and 24/7 over the internet to make God's Word accessible to millions. May the Holy Spirit produce abiding fruit among Sudanese listeners.

Week 3	November 15-21 – PRAY FOR THE CHURCH AND THE LABOURERS <i>“The Lord is my rock and my fortress, and my deliverer; My God, my strength, in whom I will trust; My shield and the horn of my salvation, my stronghold.” Psalm 18:2 NIV</i>
Fri 15	Pray for the deteriorating conditions in Sudan, the situation for those displaced by the violence is deeply concerning. Christians in the country have encountered opposition from both the government and rebel groups. Pray for God to meet the practical and spiritual needs of these displaced families, provide them a safe place to live, and pour out His love, hope and strength upon each one. Pray for an end to this conflict.
Sat 16	A Fulani pastor continues to reach out to the Fulani Muslims despite being under constant threat and harassment. The pastor currently lives with his wife and three kids in a burned room that stands among the remains of his home. Pray for protection for this family and many other MBBs from the Fulani tribe.
Sun 17	When Islamic extremists attacked his village, destroyed and stole his family’s possessions, and injured their family’s breadwinner, a young man did not think he can finish his university degree. He persevered and with the help of a Christian organization, this young man finished his teaching degree and is helping his family out. Pray for healing and that this young man will keep growing in his faith and be a blessing to his many.
Mon 18	Pray for field workers who are discipling others in the Middle East. Pray that they will persevere and be flexible, and always seek to grow in their faith. Pray as they learn Biblical Arabic which is almost like learning a new language. They are hoping to become more effective in sharing the Scripture in the Arabic language.
Tue 19	The youth in Burj Hammoud and Nabaa live under the constant fear, knowing their fragile homes are just a short distance from the bombing site in Beirut. Despite this, Vocational Training Programs have resumed, following dedicated efforts by Resurrection church staff to reach out to students, ensuring their safety and well-being. Pray for the church staff as they continue to care for the community. Pray for their protection!
Wed-Thu 20-21	Are you in the Greater Toronto Area and looking for something to do this Christmas that will bless Muslim communities in our city? The Jesus Network Christmas Outreach is starting soon! Here are some ways you can contribute or volunteer. Get your family or church group involved: https://jesusnetwork.ca/Christmas/
Week 4	November 22-30 – PRAY FOR A MUSLIM REGION <i>Nine rooms in the house of Islam: Western South Asia</i>
Fri 22	Field workers in the region ask for prayers that they will see breakthrough in the hearts of the people they are serving. Pray that people will truly understand that the Creator of the whole universe loves them with an unfailing love and that their worth is not in the things they have, riches, or in their achievements, their worth is solely in the One True God who calls them to be His children and declares them His. Pray for open hearts.
Sat 23	Srinagar, in northern India, is located in Jammu and Kashmir union territory. Ninety-five percent of the 1.7+ million population are Muslim and most of its 137 UPGs have no known followers of Jesus. BUT... God is at work! Workers in Srinagar are multiplying disciples and training believers to be disciple-makers. More Christians here are catching the vision for Church Planting Movements. Pray that God will bear much fruit.
Sun 24	There is a famous Bollywood movie called "Baghban", but you will find a farmer from the Khyber-Pakhtunkhwa province of Pakistan who calls himself a Baghban. You can find Baghban people in both the rural and urban parts of India and Pakistan and all of them are Muslims, as Islam has been deeply ingrained in their culture and identity. Pray that there will be believers who will have a heart to reach them with the love of Jesus.
Mon-Tue 25-26	A report* released in October 2024 shows that Christians around the world are enduring increased levels of violence, discrimination, and other human rights abuses, highlighting the upsurge in violent attacks on Christians in Pakistan triggered by blasphemy allegations. Pray for His divine protection and comfort to fill them
Wed-Thu 27-28	When the US pulled out of Afghanistan in 2021, millions fled to escape the Taliban and tens of thousands are now in the US. Pray that Christians will take note of this open door and reach out to their Afghan neighbours with the love of Jesus. Pray that those who are seeking will meet a Christian friend who can walk with them.
Fri-Sat 29-30	Pray for Christians who remain in Afghanistan and endure intense pressure and scrutiny. They face regular raids on their homes and frequently receive threats against their jobs and families. The Afghan church remains mostly isolated from the global Body of Christ. Pray that the church will be able to rally alongside them.
