June 1-7 – PRAISE & THANKSGIVING	
Week 1	<i>You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. 2 Corinthians 9:11</i>
Wed 1	<b>Praise GOD</b> for more than 100 Iranian and Egyptian believers who recently got baptized. These new believers made bold and public declaration of their faith. They had come to faith after a recent Persian New Year outreach. Pray for their walk with the Lord, that they may mature in the faith and multiply disciples.
Thu 2	<b>Praise GOD</b> for the testimony of the saints! A young man, Ali, was among the 100 baptized. He heard the gospel from a believer whom he met in prison years ago. F* was imprisoned for sharing his faith but had since gone out of jail. He shared his testimony at the recent Persian New Year outreach attended by Ali. God has since softened Ali's heart and this time, Ali was ready to receive Jesus and be baptize. Pray for Ali and F*!
Fri 3	<b>Praise GOD</b> for the conference in the ME that provided such great encouragement for the workers. There were many stories of how God continues to work and call people to Himself throughout the country. A young man was also baptized that day. Pray for this young man to grow strong in faith and tell others about Jesus.
Sat 4	<b>Praise GOD</b> for the strategic meeting of disciple makers in Turkey that was completely led by local leaders! This was their first meeting and the Lord used it to encourage many believers and help them grasp the vision of making disciples. Pray that this experience would be the first of many to continue growing local leadership's confidence and capabilities. Ask God to empower more and more disciple makers in Turkey.
Sun 5	<b>Praise God</b> for Crescent Project's Sahara Challenge which provides an in-depth course to equip the saints in their ministry. R* shared that because of the training, she was equipped and inspired to live among an Arab people group. She learned about magic and Islam which opened doors to minister to many Muslim women.
Mon-Tue 6-7	<b>Praise GOD</b> for His miraculous healings. When a field worker was asked to start a women's group at a refugee camp, she was greeted with women who never heard of the gospel and who appeared disinterested when she shared about her faith in Jesus. God prompted her to pray for the women in Jesus' name. N* was healed that day and when it became known in the camp, more women started coming and praying in Jesus' name.
June 8-14 – PRAY FOR MUSLIM PEOPLE	
Week 2	<i>For there is one God and one mediator between God and mankind, the man Christ Jesus, who gave himself as a ransom for all people. This has now been witnessed to at the proper time. 1 Timothy 2:5-6</i>
Wed 8	N* invited her friend H* to the women's group after her miraculous healing. H's vision was so cloudy she could only see what looked like smoke in the distance. After the field worker and some women in the group prayed for her in Jesus' name, H* has started seeing colors. She told many more women what God had done!
Thu 9	Two workers in the Middle East kept running into this taxi driver. One day, the taxi driver invited them to his village to visit his family. They had a lovely time! Pray that God would reveal Himself to this family and that workers will have opportunities to share about Jesus. Pray for protection as they reach out to this family.
Fri 10	God is opening many doors to discuss faith in a region in Tunisia. Workers are patiently having conversations with people who are searching for the way to God. Pray for E*, a young engineer, who is improving his English with the team. Workers have had great conversations with him, and he accepted a Bible in his own language.
Sat 11	A team is working with H* who has a son who goes to a children's sports club ran by Christians. He just confided with the team that he does not subscribe to the majority religion. Praise God for the trust that the workers were able to build with H. Pray for their protection and that H will be open to hearing about Jesus.
Sun 12	S*, a Muslim living in Iraq, witnessed firsthand the horrors of ISIS. As he saw these atrocities up close, he began to question his Muslim faith, leading him to eventually discover the love of Jesus. With two young kids, he was forced out of his home and into a refugee camp during the cold winter months. Pray for them!
Mon-Tue 13-14	In some of the hardest places, Muslims are curious to know more about Jesus. Refugees in Europe and the Americas are hearing the accounts and teaching of Jesus for the very first time, evoking a profound hunger for more. Pray that the church in Europe and the Americas will awaken to the great need for the gospel!

<b>June 15-21 – PRAY FOR THE CHURCH AND THE LABOURERS</b> <i>Blessed are those who are persecuted for righteousness' sake, for theirs is the kingdom of heaven.</i> Matthew 5:10	
<b>Week 3</b>	
<b>Wed 15</b>	Noor became a passionate follower of Christ soon after hearing about Jesus from a Christian friend who bravely shared the gospel with her. When Noor's family found out, they isolated her from everyone even her husband. After many months of physical abuse and intimidation, Noor was released. Noor's husband started reading the Bible with her and became a believer. Praise God for sustaining Noor and for drawing her husband to Himself!
<b>Thu 16</b>	Afghanistan has now surpassed North Korea and topped Open Doors list as the worst country to be a Christian. With the Taliban's grip on power growing stronger and reaching into more districts, Christian converts are in an even more precarious position. Pray for supernatural protection and for boldness to share Christ.
<b>Fri 17</b>	Nigeria, for the second year in a row, was named by Open Doors as the country where Christians are subject to the most violence. On May 12 <sup>th</sup> , a Christian college student who was falsely accused of blasphemy was beaten and burned to death by her fellow classmates who were heard shouting, "Allahu Akbar!" Pray for the family she left behind and for God to move mightily in the hearts of those who persecute and do not yet know him!
<b>Sat 18</b>	A*, an Iranian-Armenian Christian leader sentenced to 10 years in prison in Iran, is currently serving his term. Many Iranian Christians are also currently imprisoned or under house arrest and awaiting sentencing. Pray that God will grant them grace and strength to persevere as they witness to the prison guards and fellow inmates.
<b>Sun 19</b>	In many Muslim nations, an identity card is crucial for school, work, and travel. Believing families are denied an identity card and it's a challenge to provide for themselves without it. Pray that the authorities will give the needed permissions. Pray for their protection and safety as they live out their faith in this difficult environment.
<b>Mon-Tue 20-21</b>	In many Muslim nations, believers are jailed for sharing Jesus. Despite the increasing persecution, 2021 was a time of rapid growth. Pray that believers in prison will persevere and they will be free and continue to share Jesus. Pray for all believers as they count the cost, share boldly, and work in unity to build the church.
<b>June 22-31 – PRAY FOR A MUSLIM REGION</b> <i>Nine rooms in the house of Islam: North Africa</i>	
<b>Week 4</b>	
<b>Wed 22</b>	From Prayercast: "The nations that make up North Africa are overwhelmingly Muslim. Yet, God is at work even in North Africa's darkest corner. Libya, with only a handful of believers, is now seeing unprecedented church growth! In Morocco and Tunisia, there are encouraging reports of dozens of house churches!" Pray that the people of North Africa will call on the name of the Lord and be saved. (Romans 10:13).
<b>Thu 23</b>	The Berbers of North Africa are the original inhabitants of the land. They call themselves the Amazigh, which means 'free men'. St. Augustine of Hippo was a Berber. Pray that Augustine's prayer would be prayed by many Berbers: "Thou hast made us for thyself, O Lord, and our heart is restless until it finds its rest in Thee."
<b>Fri 24</b>	Field workers shared at the FFM Day of Prayer for the Muslim World last May 14th that most of the sub-Saharan African population in the church are undocumented. They are often exploited, repeatedly imprisoned, and treated very poorly. Pray that the Lord will meet all their needs and they would receive the Bread of Life.
<b>Sat-Sun 25-26</b>	Churches in Algeria suffer intensifying government crackdown. Since 2017, 17 churches were ordered to close or cease their worship activities. Christians from a city of Bejaia asked for prayer as their church, with 300 members, has recently been ordered to shut down. Pray that Christians in Algeria will be able to continue meeting for worship and fellowship, despite the opposition they encounter.
<b>Mon-Tue 27-28</b>	The Jebala of Morocco traditionally live in or near the Rif mountains in northern Morocco. The word Jebala comes from Moroccan Arabic "jbel", which means mountain. Thus, Jebala means 'mountain people.' The most effective way to reach this widely unreached people group with the word of God is through radio. Pray for a good Christian radio program to be established in this region and that God will raise more workers to follow up.
<b>Wed-Thu 29-30</b>	A young believer in Tunisia, W*, who was rejected by his mother because of his faith, has moved countries to start a new job. Please pray for him to find a good church and to build friendships with other believers. Pray as well for the struggling house churches in Tunisia who has been hit hard by the pandemic. Pray that all the house churches are able to meet again in person and to know of and experience God's blessing.
